Tap-changer parts and training, Breakers parts

AT, BR, DB, DCF, DCVF, DLF, DLVF, DLFK, DLVFK, ELF, FS, KSO, PK, PKG, PKS and PPY. Breaker parts.

Smart measurement terminal for Bushing and CT

LED terminal on HV Dry Shield® Current Transformer

We manufacture bushing , CT according to IEEE, IEC standard. We offer custom designs . Non-oil, non-gas, paperless, non-porcelain, explosion-free, environmentally friendly bushing and CT.

Power Transformer Equipments

THE ENVIRONMENT IS IMPORTANT

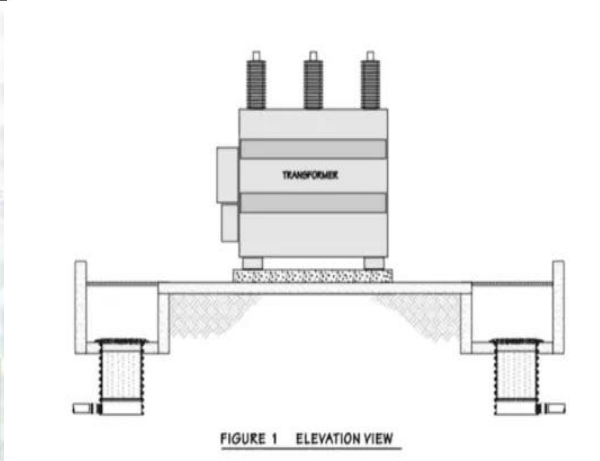

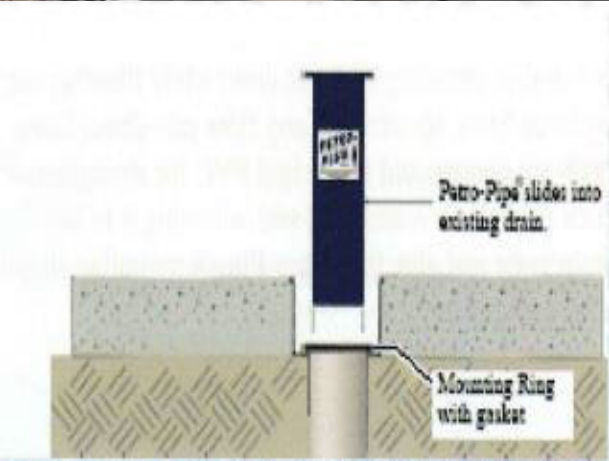

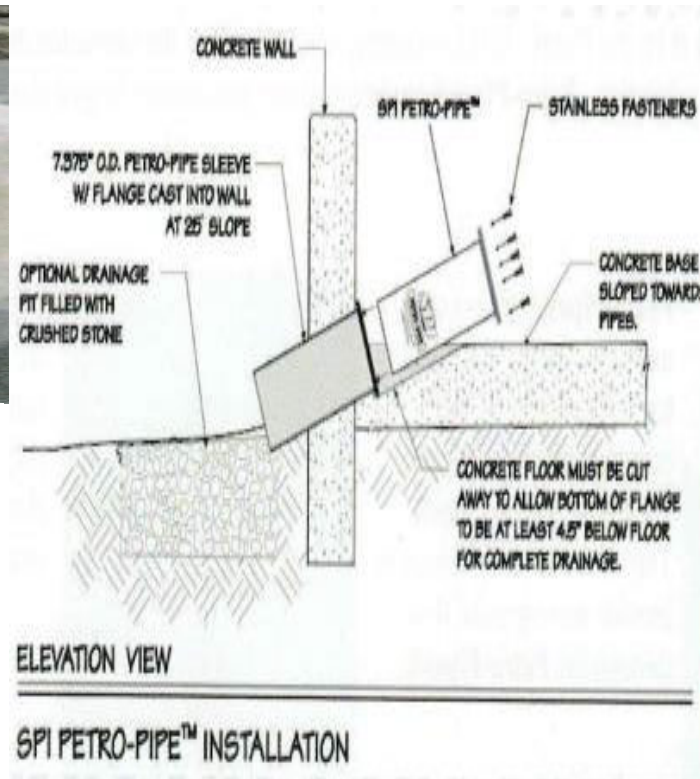

keeping containment areas free of water and protected from any oil spills.

Solidification Products International, Inc.

Petro-Barrier Applications for Oil Containment

Solidification Products International (SPI) Petro-Barrier™, Petro-Pipe®, and Petro-Plug® products use patented filtering technology that allows water to drain while providing a total oil spill containment system.

Agency inc.*

L'Agence Manufacturière Odyssee inc. se spécialise dans la vente et le service de produits électriques de moyenne à haute tension. Ayant 32 ans d'expérience en maintenance d'installations électriques et en tant que formateur technique en transformateur, changeur de prises et sécurité pour Hydro-Québec, me permettent de mieux comprendre les besoins de mes futurs partenaires dans leurs projets.

The Odyssey Manufacturing Agency inc. are specializing in the sale and service of electrical products medium to high voltage. Having 32 years of maintenance in electrical installations and as technical transformer tap changer and security trainer for Hydro-Québec, give me to better understanding of the needs of my future partners in their projects.
